SINDH SDGS SUPPORT UNIT

Dear Stakeholders,

We are pleased to share some exciting updates and developments from the Sindh SDG Support Unit through our monthly newsletter, highlighting our continued commitment to advancing sustainable development goals in the region.

>>> SESSION WITH SINDH HEC

A consultative session was held with the Sindh Higher Education Commission and Ziauddin University to observe International Women's Day 2024 with Sindh universities. The session focused on addressing the issue of sexual harassment in higher education institutes. Based on the discussion, a training module will be developed and implemented following the session.

During a session on women's empowerment and investment at Artistic Milliners, the Sindh SDGs Unit briefed 250+ women on their work and the significance of #International Women's Day.

>>> COLLABORATION WITH ARTISTIC MILLINERS

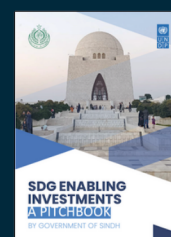

>>> ORIENTATION SESSION WITH SCHOLARSHIP STUDENTS

An orientation session was held with ReSkills to brief 100 selected students for scholarships from universities across Sindh. Equal opportunities were provided for women, students with disabilities, and minorities, including Karachi, Sukkur, Khairpur, Tandojam, and others.

>>> BEACH CLEANING DRIVE

'Appeal—Action for Public Prosperity Empowerment Awareness and Literacy' organized a beach cleaning event at Clifton Beach, Karachi, to promote SDG 13 climate action, SDG 14 life below water, and SDG 15 life on land among children.

>>> SDGS PITCHBOOK

A pitchbook highlighting investment opportunities across multiple sectors with a focus on SDGs was created for GoS.

>>> ESCAP TRAINING

The Unit attended a training organized by the Economic and Social Commission of Asia and Pacific (ESCAP) on the Integrated National Financing Framework (INFF), covering (i) assessments and diagnostics, (ii) design of the financing strategy for Pakistan, (iii) mechanisms for monitoring, review, and accountability; and (iv) governance and coordination mechanisms.

>>> ANNOUNCEMENTS!!

Attention young Pakistanis aged 10 to 30 years!

What comes to mind when you think about Pakistan's digital future?

Digital Imagination Challenge
